Professional Summary

Computer Science student with hands-on experience in AI, machine learning, and web development. Passionate about leveraging AI and technology to solve real-world problems, including AI-driven drowsiness detection and neural network-based digit recognition. Strong foundation in data structures, algorithms, and web development.

Education

Gokaraju Rangaraju Institute of Engineering and Technology, Hyderabad, India

B.Tech in Computer Science and Engineering, CGPA:7.95

November 2022 – July 2026

Alphores Junior College, Karimnagar, India

Class XII, MPC, Score:94%

June 2021 – May 2022

Alphores High School, Karimnagar, India

Class X, Score:98%

June 2019 – March 2020

Skills

Programming Languages: Java, Python, C, SQL, JavaScript

Web Development: HTML, CSS, ReactJS, NodeJS

Technical Skills: DBMS, Operating Systems, Data Structures and Algorithms

Tools: GitHub, VSCode, Google Collab

Projects

Drowsiness Detection and Prevention System ([github link](#))

- Developed a drowsiness detection system using AI and IoT, achieving 99% accuracy in detecting early signs of drowsiness, preventing accidents by automatically stopping the vehicle.
- **Technologies used:** Machine Learning (CNN), AI (ONNX model), Computer Vision (OpenCV), IoT (Arduino).

Handwritten Digit Recognition using Neural Networks ([github link](#))

- Developed a machine learning model using CNN and TensorFlow to classify handwritten digits from the MNIST dataset with 97% accuracy.
- **Technologies Used:** TensorFlow, Keras, Python, CNN, MNIST Dataset, NumPy.

Certifications

- Introduction to Artificial Intelligence – Infosys Springboard
- Mobile App Development using Flutter – Infosys Springboard
- Data Science for Engineers – NPTEL
- Data Analytics with Python - NPTEL

Soft Skills

- Creative and Collaborative
- Problem Solving and Critical Thinking
- Effective Communication
- Adaptability and Continuous Learning

Extracurricular Activities

- Volunteered at T-Hub for Maker Faire Hyderabad in 2023
- Logistics Head, Entrepreneurship Cell (E-Cell), GRIET
- Managing finances for the Literary Club of my college
- Core Member, Street Cause Hyderabad (NGO)
